

Who Advertises On Fox News Channel in 2021?

American democracy is under threat from a disinformation campaign led by Fox News in conjunction with the GOP. Lies and distortion about recent elections and racial justice protests are used to justify new state voter suppression laws and to criminalize protest. We've been tracking advertising on Fox News Channel daily since January. Below are the top 20 major corporations that fund and normalize its disinformation in 2021.
